Subject: Approval of National Casting Cast Iron Manhole Frame & Cover

Dear Mr. Kedia:

This is in reference to your application in which you requested the City of San Diego (City) to evaluate National Casting Cast Iron Manhole Frame & Cover Model NC2531 for approval and addition to the City's Wastewater Approved Materials List.

The City has completed the evaluation and determined that adequate product information has been presented to approve the National Casting Cast Iron Manhole Frame & Cover Model NC2531. This product will be included in the next Wastewater Approved Materials List update. In the meantime, this letter can be used to verify the City's acceptance.

The acceptance and approval of the National Casting Cast Iron Manhole Frame & Cover Model NC2531 is, however, contingent on the following conditions:

- 1) The National Casting Cast Iron Manhole Frame & Cover Model NC2531 is manufactured and assembled at Trident Export Corporation 58, N.S. Road Liluah, Howrah 711 204, India.
- 2) National Casting shall notify the City in advance of any changes in the product, change in ownership of the manufacturing plant, or change in the location of the manufacturing plant.
- 3) National Casting shall provide application/installation procedures for the product to ensure they meet the current Standard Specifications for Public Works Construction Greenbook and the current City's Whitebook. The installer shall meet the specification conditions required for the proper installation of the product as specified by National Casting or any of National Casting's authorized suppliers.
- 4) Any unilateral action by National Casting without seeking prior consultation and agreement of the City in regard to the above mentioned conditions and limitations

shall constitute a breach of agreement, resulting in the deletion of National Casting's product from the City's Approved Materials List.

Congratulations on your success in being included on the City's Wastewater Approved Materials List.

Sincerely,
